

:DEFIHELPER

AUTOPILOT FOR YOUR DEFI PORTFOLIO

Litepaper, 2021

DEFI IS ON A TEAR

	January 2020	September 2021	Growth
TVL	\$0.9 billion	\$200 billion	x222
Users	100,000	3,000,000	x30

Thousands of DeFi apps launched in 2020-2021

INVESTING IN DEFI TAKES A LOT OF TIME AND EFFORT

Non-custodial wallets are the safest option for your crypto. But they lack some vital features

No tracking, notifications, basic investment features (stop-loss etc.)
as on large crypto exchanges

No automation
as in crypto-exchanges add-ons

No auto and copy strategies
as in traditional investments apps

DFH IS A SWEET ESCAPE FROM THIS HASSLE

DFH is an investment tool that helps investors of any scale to easily manage and automate their DeFi investments in 100+ protocols
